- (i) any person who is or has during the six months prior to the concerned act been associated with a company, directly or indirectly, in any capacity including by reason of frequent communication with its officers or by being in any contractual, fiduciary or employment relationship or by being a director, officer or an employee of the company or holds any position including a professional or business relationship between himself and the company whether temporary or permanent, that allows such person, directly or indirectly, access to unpublished price sensitive information or is reasonably expected to allow such access.
- (ii) Without prejudice to the generality of the foregoing, the persons falling within the following categories shall be deemed to be connected persons unless the contrary is established, -
 - (a) an immediate relative of connected persons specified in clause (i); or
 - (b) a holding company or associate company or subsidiary company; or

NOTE:

It is intended that a connected person is one who has a connection with the company that is expected to put him in possession of unpublished price sensitive information. Immediate relatives and other categories of persons specified above are also presumed to be connected persons but such a presumption is a deeming legal fiction and is rebuttable. This definition is also intended to bring into its ambit persons who may not seemingly occupy any position in a company but are in regular touch with the company and its officers and are involved in the know of the company's operations. It is intended to bring within its ambit those who would have access to or could access unpublished price sensitive information about any company or class of companies by virtue of any connection that would put them in possession of unpublished price sensitive information.
